

MEDICAID ADVISORY COMMITTEE SUPPORT NOW AVAILABLE

COLLECTIVE INSIGHT ASSISTANCE TO IMPLEMENT MCAC FINAL RULE

States face a heavy lift on their way to 2026 Final Rule compliance, and Collective Insight can help. Since 2014, Collective Insight has assisted organizations to create over 30 accessible and cost-effective advisory structures that engage communities previously left out of the policy or research process.

OUR ENGAGEMENT EXPERTS ARE AVAILABLE TO:

The Centers for Medicare and Medicaid (CMS) [Ensuring Access to Medicaid Services Final Rule](#)

reshapes Medical Care Advisory Committees (MCACs). By July 2026, all states must comply with new rules on beneficiary engagement and committee membership, approach, and focus.

[LEARN MORE](#)

-  Bring communities together to inform your design
-  Develop or update committee charters and bylaws
-  Support meaningful representation of Medicaid beneficiaries and advocates
-  Develop accessible materials and transparent public posting practices
-  Prepare employees to facilitate accessible and productive meetings
-  Expand the focus of committees to address important topics, such as access to care, coordination, and quality
-  Evaluate the MAC process and produce annual reports
